

Dear Melrose Football Supporter,

The 2021 Melrose High School Football season is quickly approaching, and the Red Raiders are looking to build on the successes of past seasons. The Raiders close out the decade with a 95-19 record, including a 19 game winning streak dating back to 2018, 4 Super Bowl appearances, 2 state titles, and over 17 league and division titles!

At this time, the Friends of Melrose Football (FMF) are making plans to publish our twenty-sixth annual program book. Thanks to the generous support of local businesses, FMF has been able to contribute to the success of the program and student-athletes by providing critical funding for:

- 2 MHS Athletic Scholarships
- A state of the art training facility for all MHS athletes
- Strength and Conditioning coaches and equipment for all MHS athletes
- Assistant Football Coach salaries
- The creation of the highly successful Middle School Football program.

If you have placed an ad in previous years, we sincerely thank you and ask you to please consider participating in our 2021 Athletic Program Book. If you have not placed an ad in previous years, we hope you will consider becoming part of this great Red Raider tradition. Program books are sold at all home games, and sponsors will also be included on our new website (ready this fall!)
